BS Software Engineering  
3.29 CGPA  
i am Graduate

### About Me

I am a hardworking fresh Software Engineer with a CGPA: 3.29. I have consistently secured 1st position in each semester. I have over 1 year of experience in static website development. Throughout my university period, I have worked on numerous projects, gaining expertise in static website development. Currently, I am learning React JS to deliver valuable outputs to the company and achieve expertise in this dynamic field.
